

The Online Child & Youth Court Preparation Program was developed to respond to the needs of young witnesses who may be required to testify in court. Inadequate preparation may result in further trauma to a child or youth and their family and possibly compromise their ability to provide reliable testimony.

ONLINE CHILD & YOUTH COURT PREPARATION PROGRAM

Children, Youth & Families Benefit from:

- ✓ Engaging with experienced court preparation professionals through virtual sessions.
- ✓ Having flexibility to book sessions that fit your schedule.
- ✓ Receiving comparable content and support to that of an in-person court preparation experience.
- ✓ The program is FREE.

Criminal Justice Professionals Benefit from:

- ✓ Accessing court preparation services at NO COST for any child or youth who must testify in court.
- ✓ Clients are supported by evidence-based practices that prioritize learning about the court system and preparing for courtroom questioning.
- ✓ Ensuring all clients, regardless of location, can access learning opportunities through the use of technology.

- EXPLORING FEARS AND ANXIETIES
- BREATHING / RELAXATION
- COURT ROLES AND PROTOCOLS
- COURT PROCESS
- MEMORY STRATEGIES
- INTERACTIVE MOCK COURT
- CROSS-EXAMINATION VIDEO

Online Court Preparation for Children, Youth, and their Caregivers

Access personalized preparation from the comfort of your home! Support from qualified facilitators available at a time that suits your needs. All you need is :

- ✓ A computer or tablet. A smartphone may be used if a larger-screen device isn't available.
- ✓ An internet connection
